John, David, and Brianna:

The City provided some helpful comments on the draft Parcel A fact sheet. Then, I made additional edits when I was doing a final review. Attached is a layout version (FYI) for your review. Please use the Word version (with track changes) for any edits.

Is COB September 10 a realistic time frame for your review? This fact sheet has been reviewed and edited many, many times – so I'm hoping we are close at this point.

After your review, I would like to share with staff at the State and Navy. Then, a final review with Angeles and Mike A.
